## Rebuilding Together - Volunteer Opportunities

Rebuilding Together Broward County's mission to "bring together volunteers and communities together to improve the homes and lives of low-income homeowners" assuring that low-income homeowners, particularly those who are elderly, disabled or families with children, live in comfort, safety and independence. We depend on our volunteers to make this happen and to impact hundreds of lives in our Broward County neighborhoods.

Below is a list of the ways that YOU can get involved and make a difference. Send this completed form in to Dave Reierson to get involved. Sponsorships and donations are welcome as well.

### Ongoing Committees

- Ten committees assist the Board of Directors in implementing the home repair and community development activities of Rebuilding Together Broward County, Inc. If you have an interest in; Community Outreach, Event Planning, Finance, Fundraising, Material Acquisition, Project Review, Public Relations or Volunteer Recruitment, we need you! Your commitment will entail a 1-2 hour meeting once a month plus several additional hours throughout the month.

### Organizing and Managing the 8<sup>th</sup> Annual Rebuilding Together Day

Many different skills are necessary to make this event a success; you don't necessarily need to know which end of a hammer is up! You will be called upon to contribute 20-40 hours during the months from January through April.
