

Rebuilding Together Broward County, Inc.
9th Annual Rebuilding Together Day
April 26, 2008

Rebuilding Homes and Communities Together

The signature event for Rebuilding Together and its 230 affiliates across the USA is our Annual Rebuilding Together Day. Our objective is to deliver a significant community service project that directly and immediately improves the lives of very low-income homeowners, rejuvenates neighborhoods, strengthens civic organizations and engages hundreds of volunteers in improving **our** community. Our focus is to provide urgent home improvements, especially safe and sanitary living conditions and preservation of home ownership to the elderly, disabled and families with children. This is a unique event that allows us to make our community better. Individuals and organizations give of their time, talent, materials, services and financial contributions.

Our 9th Annual Rebuilding Together Day will occur in the City of Lauderhill, in the community of St. George. (10 blocks west of I-95 and 2 blocks south of Sunrise Blvd.) Join us for this meaningful community service project!
